AARC DIVERSITY INCLUSION AND SOCIAL JUSTICE COMMITTEE RESOURCE LIST

Purpose: In an effort to promote inclusivity, multiculturalism, and social justice, the AARC EC members tasked the Diversity Inclusion and Social Justice Committee to create a list of resources for members. This resource list includes research and assessment publications that focus on or are attentive to cultural context. We have also attempted to include authors who represent marginalized, minoritized, and intersectional identities and perspectives. Our aim is to promote high-quality research and assessment that is culturally-aware and valuable to the diverse members and communities we serve.

Keywords: Afri-centric theory, behavioral medicine, Black, broaching, counseling, critical theory, content analysis, couples and family counseling, education, grief, integrated healthcare, international, LGBTQ+, microaggressions, mixed-methods, multicultural and social justice competencies, pedagogy, professional identity, racial discrimination, racial, racism, religion and social class, spirituality, sexual and domestic violence, school counseling, substance use, suicide, supervision, trauma, transculturalism, women, qualitative methods, quantitative methods
